George. When the war is over he is coming back.

The society reporter was in bed dreaming of coconut outlets and chicken pie, and it fell to the lot of the other reporters, who don't know anything about reporting functions, to write up the party they gave to "Mac" on going to the wars, really the swellest party that was ever kept out of the society page by unanimous consent. Those present were:

George Gordon, William P. Smith, Douglas Jaffe, Alexander Forward, Mr. T. Jaffe, Mr. H. L. Brinley, Mr. R. Howell, Foreman, Robert D. Ford, Mr. C. E. Smith, E. S. Sawyer, Benjamin Bell, Jr., James Catherwood, Charles M. Morris, G. C. Rice, Robert Somers, A. H. Steele, Edward Mitchell.

FLAG RAISED OVER FULTON ROUNDHOUSE

Informal ceremonies attended the raising of the large American flag at noon yesterday over the Fulton roundhouse of the Chesapeake and Ohio Railway. Funds for its purchase were raised by contributions from the employees of the shop and from the engine crews. The flag is sixteen by twenty feet. The committee which purchased the flag and arranged the ceremony was composed of E. R. Woolsey, R. V. Owen and E. J. Mulcahy.

At the last end of the room two copy desks, festooned with white crepe paper, bore up bravely under the weight of an immense punchbowl filled with a grape juice-beverage fully guaranteed under the Main Law. The punch was compounded after a famous secret recipe of several well-known experts, after a strenuous and diligent compilation of spirits extending over a period of many years in this country and abroad. The prescription being promptly destroyed after it had served its purpose.

THOMAS B. McADAMS HONORED BY ROTARIANS

(By Associated Press.) CHARLOTTE, N. C., April 21.—Thomas B. McAdams, of Richmond, was unanimously reelected governor of the fourth district of Rotarians to-night. All precedents of the organization were disregarded in his re-election. A. von Synehem, of Norfolk, a German naturalized, drew the folds of the flag around his shoulders and said that any man who could not support the country that fed him had better get out. "The President of the United States God bless him, Virginia and the Carolinas are behind him," was a toast drunk standing. The singing of "America" brought the meeting to a close.

BLACK SAFETY TREAD TIRE

Came Back to Goodrich

NOBODY knows better than your own home-folks what Goodrich Black Safety Tread Tires will do.

They take to your streets and roads like natives, and there is not one of Richmond's automobileists who will not tell you so.

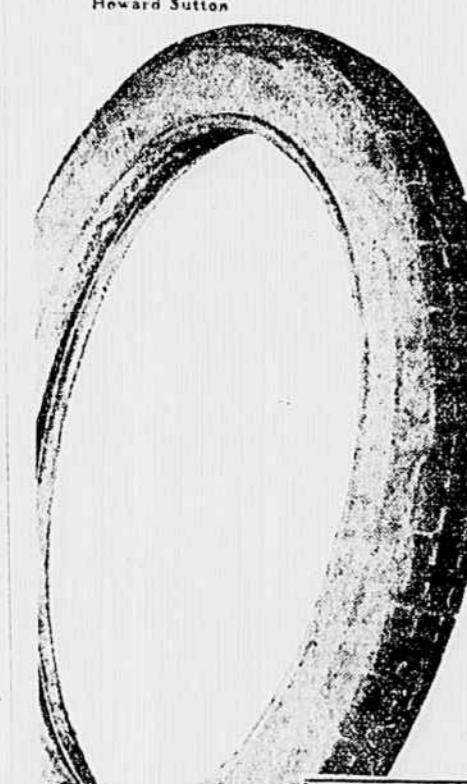

Read what Howard Sutton says for them:

Richmond, Va., Dec. 11, 1916.
The B. F. Goodrich Co.,
Richmond, Va.

I wish to say that I am well pleased with Goodrich tires. I have had less trouble with them on my Ford car than any other make I have ever used. One of them has run over 6,000 miles and looks good for 4,000 more. The other three have been run about 4,500 miles and show very little wear.

Yours very truly,

HOWARD SUTTON.

TO EXPAND Y. M. C. A. TO KEEP PACE WITH ARMY

International Secretary Mott Takes Up Plans With Officials in the War Department.

WASHINGTON, April 21.—Preparations to expand the Young Men's Christian Association organization with the army on a scale in proportion with the size of a war-time army, have been taken up with the War Department by John R. Mott, secretary of the association's international committee.

Every part of the new army, Mr. Mott said, will be as well supplied with reading and writing tents for the soldiers and other facilities of recreation and entertainment as are the present small forces. The association expects to have at least one representative for every 1,000 troops and to carry out its organization of brigade tents and motion picture facilities on the basis of an army of 1,000,000 men as proposed by the administration to be raised during the next year.

The association has formed a war work committee of more than 100 leading men from all parts of the country, with William Sloane, of New York, as chairman, and Cleveland H. Dodge, of New York, as treasurer, and expects to raise a fund of \$2,000,000 to continue its army and navy work until January 1.
